OUR CERTIFICATION PROCESS

1. **Application Submission & Review:**
   - Share your requirements with us through your application.

2. **Stage 1 Audit:**
   - Our auditors assess your organization's documentation, policies, and processes against the ISO standard requirements.

3. **Stage 2 Certification Audit:**
   - Our auditors verify the implementation and effectiveness of your management system in accordance with the ISO standard.

4. **Corrective Actions:**
   - In case of non-conformities, you will have the opportunity to address them.

5. **Certificate Issuance:**
   - EAS grants ISO Certification upon completion of the successful audit.

ABOUT ISO 14001

ISO 14001 is an internationally acknowledged standard for environmental management systems, offering organizations a well-structured framework to improve their environmental performance and showcase a dedicated commitment to sustainability. **ISO 14001** emphasizes these core principles:

- Environmental Policy
- Planning
- Implementation
- Monitoring and Measurement
- Continuous Improvement

Elevate your environmental management with **ISO 14001**, championing sustainability, reducing environmental impact, and instilling a culture of eco-consciousness.
