OUR CERTIFICATION PROCESS

1. **Application Submission & Review:**
   - Share your requirements with us through your application.

2. **Stage 1 Audit:**
   - Our auditors assess your organization's documentation, policies, and processes against the ISO standard requirements.

3. **Stage 2 Certification Audit:**
   - Our auditors verify the implementation and effectiveness of your management system in accordance with the ISO standard.

4. **Corrective Actions:**
   - In case of non-conformities, you will have the opportunity to address them.

5. **Certificate Issuance:**
   - EAS grants ISO Certification upon completion of the successful audit.

ABOUT ISO 22000

ISO 22000 is a globally accepted standard for Food Safety Management Systems, providing a systematic framework to guarantee the safety of food products across the entire supply chain. ISO 22000 emphasizes vital principles including:

- Hazard Analysis and Critical Control Points (HACCP)
- Interactive Communication
- Essential Prerequisite Programs
- Effective Document Control
- Continual Improvement

Elevate your food safety measures with **ISO 22000**, advancing a culture of safe food production, minimizing foodborne risks, and prioritizing consumer health.
